LEAD PRODUCT DESIGNER

I'm a team manager who still contributes to delivery for both B2C and B2B projects at Deezer, from Bordeaux (France).

WORK EXPERIENCES

Lead product designer

2019 - Today | Bordeaux
Entertainment - music industry
Team management (from 2 to 6 product designers). I've started to work for the innovation department (standalone B2C apps development such as Karaoke, Audiobooks, Zen) before moving to the partnerships department (B2C and B2B interfaces).
Missions: Management, user research, benchmarking, prototyping, interface design (UX & UI), accessibility, etc.

Lead Product designer

2018 - 2019 | Bordeaux
Entertainment - sport betting
Team management (4 product designers) on various B2C products (sport betting, casino, poker, turf) on the french and swedish markets.
Missions: Management, design system creation and management, user research, interface design (UX & UI).

Product designer

2016 - 2018 | Bordeaux
Education
Design of new features for a SaaS product sold to universities to help them gathering their alumni.
Missions: design system creation and management, user research, audit, interface design (UX & UI).

UX/UI designer

2015 - 2016 | Bordeaux
Consulting
User research and UX/UI consulting for an agency specialised into human factor.
Missions: Airbus, PMU, Bordeaux Métropole, Cultura.

Web artistic director

2011 - 2015 | Paris
Consulting - reputation
Interface design for CAC 40 companies and public services.
Missions: Maif, Vallourec, Roche, BPCE, Mairie de Paris ...

Product designer

2011 | Paris
Public services
Mobile app design: Paris Plage, Nuit Blanche.
